

BECOME A SEPTIC PUMPING FIELD TECHNICIAN WITH US!

Underwood Plumbing and Septic, Inc. is looking for a dedicated and skilled Septic Pumping Technician to join our dynamic team. We are committed to delivering exceptional septic services to our valued customers and are searching for someone who shares our passion for excellence.

Our goal is to innovate within the septic pumping industry by bringing in top-tier technicians ready for this exciting opportunity. We seek individuals who excel in customer service and are capable of setting new standards in our field.

As a Septic Pumping Technician, you will play a vital role in cleaning septic and grease systems and their components for our residential and commercial clients. By joining our team, you will become part of a group that blends septic expertise with a drive for innovation. We expect you to give your best effort every day, using your technical skills to consistently exceed customer expectations with each service.

Your role will be diverse and engaging, involving tasks such as locating, exposing, and cleaning septic and grease tanks, ensuring proper system functionality, handling tools with precision, and maintaining tidy job sites. Attention to detail and organizational skills are crucial – we are looking for someone who takes pride in their work and continually seeks to improve.

Working closely with the Septic Field Supervisor, you will be essential in ensuring projects are completed efficiently, on time, and within budget. Your efforts will directly impact the company's success, allowing you to see tangible results both on-site and in the office.

Requirements:

- A CDL with a tanker endorsement is essential for this role.
- Adherence to all DOT regulations.
- Accurate maintenance of logs and paperwork.
- Prompt submission of pump tickets to the relevant parties

If you are passionate about problem-solving, have a keen eye for detail, and are dedicated to customer satisfaction, we want to hear from you! This is your opportunity to be part of something greater. Are you ready to join us on this journey?
